

## Wiltshire Air Ambulance – New Headquarters, Semington, Melksham

**Client:** Wiltshire Air Ambulance Charitable Trust, Outmarsh Farm, Semington, Melksham, Wilts BA14 6JX

**Employers Agent and Contract Architect:** CMS Project Managers and Surveyors, 26 Martingate, Corsham, Wilts SN13 0HL

### Scope of Works:

The Design and Construction of a New Headquarters for the Wiltshire Air Ambulance Charitable Trust including administrative office space, operational offices, multifunctional training facilities and associated ancillary spaces. The project was to achieve BREEAM very good and was a very high profile project within Wiltshire.

Operational uses were to include hangar, secure medical storage, helipad, approach strip, fuelling and vehicle wash facilities.

A ground bearing slab with strip and pad foundations support a steel frame with specialist cladding and roofing and feature Ashlar stone walls to break up the high performance aluminium framed curtain walling.

Rigg Construction (Southern) Limited successfully completed and handed over the project to the client on time and within budget in March 2018.

**Contract Programme:** 43 weeks completed March 2018
